

Jesus led his disciples out as far as Bethany,  
raised his hands, and blessed them.

As he  
blessed them  
he parted  
from them  
and was taken  
up to heaven.

Dear parishioners and friends,

Last week, we quoted from Pope Leo's discourse to the College of Cardinals on 10 May 2025. He presented the priorities for his pontificate – to continue the path for the church that began with the Second Vatican Council and shaped the pontificate of Pope Francis: the return to the primacy of Christ in proclamation; the missionary conversion of the entire community, growth in collegiality and synodality, attention to the *sensus fidei*, popular piety, loving care for the least and rejected, and courageous and trusting dialogue with the contemporary world ...

The Holy Father continued briefly stating why he chose the name Leo XIV:

*Sensing myself called to continue in this same path, I chose to take the name Leo XIV. There are different reasons for this, but mainly because Pope Leo XIII in his historic Encyclical Rerum Novarum addressed the social question in the context of the first great industrial revolution. In our own day, the Church offers to everyone the treasury of her social teaching in response to another industrial revolution and to developments in the field of artificial intelligence that pose new challenges for the defence of human dignity, justice and labour.*

So, we have a 'snapshot' of Pope Leo XIV and his priorities for the church.

Again, may God bless, guide, and protect the Holy Father and the church!

Sincerely, Father Joseph H. Callahan

**MINISTERIO HISPANO**

Queridos hermanos y hermanas en Cristo,

La semana pasada, citamos el discurso del Papa León XIV al colegio de los cardenales el 10 de mayo de 2025. En ello, Su Santidad presentó las prioridades para su pontificado: continuar el camino del Segundo Concilio Vaticano en la línea del Papa Francisco. Concretamente: el regreso al primado de Cristo en el anuncio, la conversión misionera de toda la comunidad cristiana, el crecimiento en la colegialidad y en sinodalidad; la atención al *sensus fidei* especialmente en sus formas más propias e inclusivas, como la piedad popular; el cuidado amoroso de los débiles y descartados; el dialogo valiente y confiado con el mundo contemporáneo ...

El Papa continúa explicando porque seleccionó el nombre Leo XIV:

*Precisamente, al sentirme llamado a proseguir este camino, pensé tomar el nombre de León XIV. Hay varias razones, pero la principal es porque el Papa León XIII, con la histórica Encíclica Rerum novarum, afrontó la cuestión social en el contexto de la primera gran revolución industrial y hoy la Iglesia ofrece a todos, su patrimonio de doctrina social para responder a otra revolución industrial y a los desarrollos de la inteligencia artificial, que comportan nuevos desafíos en la defensa de la dignidad humana, de la justicia y el trabajo.*

¡Que Dios proteja, guíe, y bendiga al Santo Padre y la Iglesia!

Atentamente en Cristo, Pbro. Joseph H. Callahan
